Pune-412307

Sub: Permission to conduct Guest lecture
on "DBMSL Insights with hands-on".

Res,

I undersigned request you to kindly
give permission to conduct guest lecture.

Details are:

- 1) Date & time - 9/11/2022 at 2:00 PM To 4:00 PM
- 2) For details of students - T.E. (COMP & ENITC)
- 3) Resource Person - Mr. Mayur Shah (B.E COMP)
Company Name - Vodafone India
- 4) Remuneration - 1000
- 5) Outcome of Program - clear DBMSL Concept.

K.A. Jogle
Yours faithfully

Dear Sir/Madam,

I thank you from the bottom of my heart for taking time from your busy schedule to be the guest speaker in our workshop. Your presence and wise words helped magnify our cause in the best possible way. Our workshop was a huge success. All thanks to your enlightening words that inspired so many people out there.

I look forward to our next interaction soon. Wishing you all the best for your future endeavors.

Report on

"One day Guest Lecture on "DBMSL Insights with hands-on"

Date: 9th Nov. 2022

Resource Person :

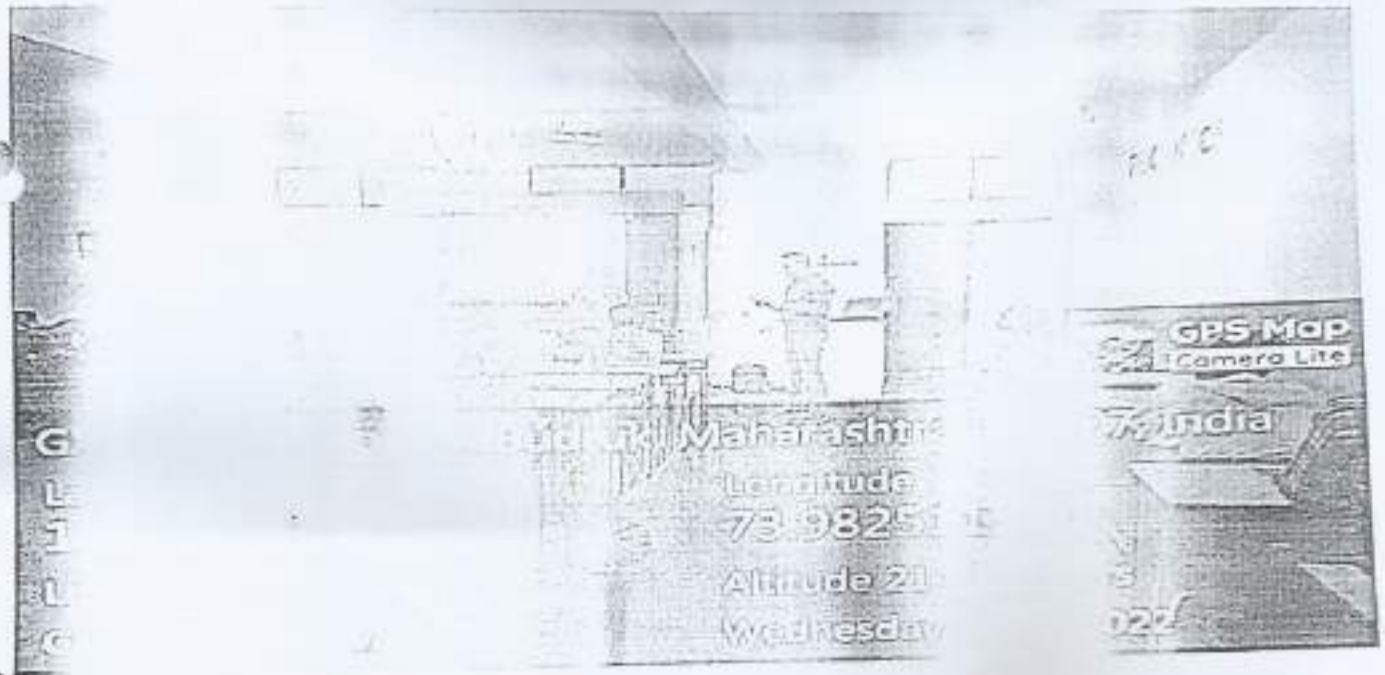

Mr. Mayur Shaha
Diploma in Computer Engineering
Deputy General Manager
Vodafone Intelligent Solution
Kharadi,Pune-05

One day Guest Lecture on Research on DBMSL Insights with hands-on was organized by Department of Computer Engineering on 9th Nov.2022.Prof. K.A.Jojare delivered the welcome address of guest of lecture Mr. Mayur Shaha at 2.30 pm in the presence of staff members. He emphasized the need to design this lecture and motivates the students to achieve the objective. The main aim of this lecture was to enlighten the students about DBMSL insights with hands-on. Mr. Mayur Shaha

sir started session at 3.00pm. There were 65 students present from college. The speaker of event has delivered theoretical as well as practical knowledge about the DBMSL and its application. Sir has also shared live projects on DBMS.

He also discusses database management system (DBMS) is system software for creating and managing databases. A DBMS makes it possible for end users to create, protect, read, update and delete data in a database. The most prevalent type of data management platform, the DBMS essentially serves as an interface between databases and users or application programs, ensuring that data is consistently organized and remains easily accessible. The DBMS manages the data; the database engine allows data to be accessed, locked and modified; and the database schema defines the database's logical structure. These three foundational elements help provide concurrency, security, data integrity and uniform data

...ion procedures. The DBMS provides a centralized view of data that can accessed
...users from multiple locations in a controlled manner. A DBMS can limit what
...users see and how they view the data, providing many views of a single database
...ma. End users and software programs are free from having to understand where the data
...physically located or on what type of storage medium it resides because the DBMS handle
...l requests to the end. Prof. K.A. Jojare gave the vote of Thanks. She thanked Mr. Mayur Shaha sir
...for sparing his time from his busy schedule and sharing his insightful and informative knowledge
...about DBMS to the attendees present. She also thanked the coordinator of event for organizing
...such an event and making it a successful one.

One day online workshop on C++ and Advanced Technology was organized by Department of Computer Engineering on 13th Sept. 2021. Prof. Madhuri Borawake delivered the welcome address of guest of online webinar Mr. Krishna Bhelarao at 9.00am in the presence of Hon. Principle Dr. R. V. Patil sir & staff members. The main aim of this online webinar was to enlighten the students about C++ and advance technology. Guest has started session at 9.15am. There were 92 students present from college. The speaker of event has delivered theoretical and Technique about C++. He also spoke on understanding concept of encapsulation, polymorphism, library files in C++. Conceptual Understanding. Sir has shown some live demo with case studies.

In the end, Prof. S. P. Gade gave the vote of Thanks. She thanked Mr. Krishna sir for sparing his time from his busy schedule and sharing his insightful and informative knowledge about C++ to the attendees present. She also thanked the coordinator of event for organizing such an event and making it a successful one.
