Female Foeticide Prevention Awareness Rally

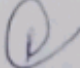

20 Feb 2023

Students creating awareness of Female foeticide Prevention in Panavadi Village

In each and every place, region and area, women are supposed to face and deal with many challenges. Female foeticide is perhaps one of the poorest forms of violence against women where a woman is denied her most basic and fundamental right i.e "the right to life".

Within the Indian society, valuing of women should be encouraged, and all the reasons for which female foeticide is practiced should be eliminated so that women feel secure of her birth and existence.

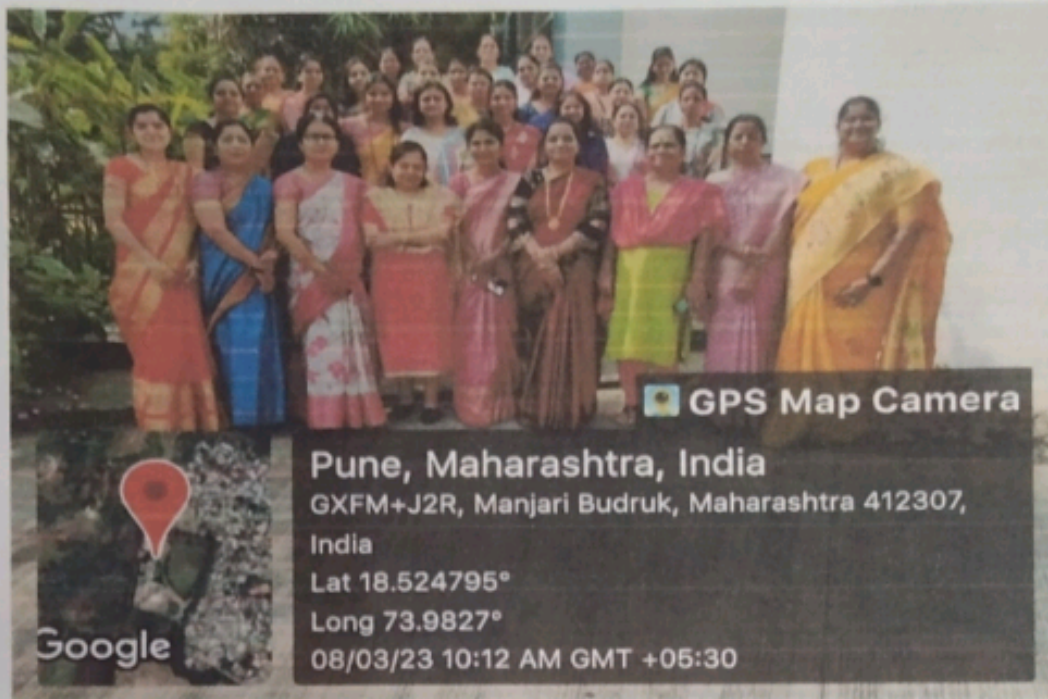

Our NSS students created awareness on Female foeticide Prevention in village Panavadi through Rally and Path natya.
